Joan Barhydt Special Education Grant Application

The Joan Barhydt Special Education Grant provided funds to benefit programs serving children receiving special education services. Mrs. Barhydt taught in USD 305 from 1977 until 2005, primarily working with children with learning disabilities. In 2021, Joan's family members established a permanent endowment in Joan's memory.

Requests for funds may not exceed \$1,000 and must address a project or need that will benefit students receiving special education services.

Building principals or special education administrators may apply by emailing the completed application form to Michael Chambers, Executive Director, at michael.chambers@usd305.com.

A selection committee consisting of the Executive Director of the Salina Education Foundation, Executive Director of Special Education Services, and Executive Director of Educational Programs will select 3 finalist. Two members of Joan Barhydt's family will make the final recommendation for grant awards.
